

Join Us!

Our club is open to young people ages 9 to 18. Our programs are valuable for helping young people develop self-confidence, personal discipline, responsibility, teamwork, self esteem and sportsmanship. The discipline and self-control required for responsible firearms use carries over into many other aspects of life.

- 4-H programs provide a positive experience for youth and promote the safe and ethical use of firearms.
- It is our belief that firearms education reduces gun accidents.
- Hunting and Shooting are rich American traditions. 4-H shooting sports programs help continue this tradition through involvement of the total family: youth, teens, parents, grandparents, etc.
